

## **BUSINESS DEVELOPMENT - TIMBER FRAME**

### **SCOTLAND & NORTH EAST ENGLAND**

**Alexanders Timber Design**, based in Troon, is one of Scotland's leading manufacturers of timber frame homes and roof structures. Part of the Glennon Brothers Group ([www.glennonbrothers.com](http://www.glennonbrothers.com)), the company is in the middle of a major expansion drive, and as a result a vacancy has arisen.

#### **The Job:**

This is a field sales role, covering Scotland predominantly and also the North East of England. The position involves repeat selling to an established customer base as well as generating new business. Candidates will be responsible for achieving sales targets and must be capable of maintaining a high level of customer service.

#### **The Candidate:**

This position would suit an ambitious, enthusiastic, self motivated individual, with a proven ability in selling timber engineering products. Good communication skills are essential as well as the ability to deal with people at all levels of the organisation.

An attractive package is available for the right candidate. In the event that relocation is required, assistance will be provided.

Applications in the strictest confidence, with full CV to:
